AZ ASCD

The mission of the AZ ASCD is to facilitate learner success by providing educators with leadership and support in using effective curricular, instructional and supervisory practices

- Promoting the professional growth and development of members
- Share ideas, expertise, and resources
- Encourage and support evidenced based innovations
- Identify successful programs and disseminate information on effective practices relating to teaching and learning
- Promote effective standards-based curricula in Arizona
- Examine and develop proactive responses to local and national issues in education
- Provide a forum for educators and educational organizations to improve the quality of education for all learners

Leadership and Governance

AZ ASCD will be governed by an executive board that consistently works with a strong strategic plan that is aligned to the mission of ASCD International.

Advocacy

AZ ASCD will collaborate with other educational organizations in Arizona to advocate on behalf of educators and students.

Professional Development

AZ ASCD will provide opportunities for educators to develop their capacity for learning, teaching and leading that that will impact student achievement.

Communication

AZ ASCD will communicate information on effective practices and the mission of the affiliate to improve the quality of education for all learners.

Membership

AZ ASCD will increase membership to further the mission of both the AZ Affiliate and ASCD International.
